

Dried Salmon

Tap into salmon labeling advantages with Scoular's new Dried Salmon. With 67% protein for optimal digestion and absorption, a high level of salmon peptides, and beneficial Omega-3 fatty acids, vitamins, and minerals, our dried salmon is a nutritious addition to premium pet food formulations. And with a minimum 12-month shelf life, this dried protein is easily stored, offering flexible operational benefits.

Labeling Benefits

Long Shelf Life

Operational Flexibility
